NUT STOCK A SPECIALTY

Walnut, Filbert, Chestnut,
Almond, Hickory,
Butternut

Announcement

This nursery having but recently come under my proprietorship, I find the time too short to issue a regular catalogue, so send this brief list of stock which I can furnish this season.

It is the intention of the present proprietor to maintain the same high quality of nursery stock and the faithful execution of orders so long held by the late Felix Gillet.

This nursery will continue to specialize on nut stock of all kinds, and your attention is called to the extensive collection of walnuts and filberts—probably the largest on the Pacific Coast. Our display of nuts at the Land Show recently held in San Francisco took first prize, helping Nevada County in her lead of all other counties exhibiting.

I solicit your patronage on nut stock, guaranteeing satisfaction and prices as low as are consistent with the quality of stock you should plant.

If you desire varieties and sizes not mentioned herein, kindly inquire for same.

PACKING.

I wish to announce the abolishment of the custom so long maintained by nurserymen, of making an extra charge for packing. Prices include packing as well as carriage to transportation companies.

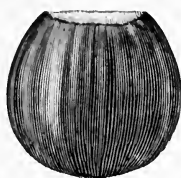

TERMS.

Terms are net cash with the order, or if you prefer, draft through your local bank or express office with bill of lading attached.

GUARANTEE.

I warrant all trees to be good, thrifty and true to label, but having no control over them after delivery to transportation companies, or over their planting and care after they are received by the buyer, I will not be responsible in any other way than as stated, and accordingly if any tree or plant should prove untrue to kind, I will either replace the same or refund the amount paid, but in no case will I be liable for any sum greater than that which buyer paid me for the tree or trees.
